## THE LOS ANGELES CHAPTER

## GRAND MASTER'S MESSAGE-----

Dear Brothers:

*I have just concluded my visitations to the various Chapters. I was particularly impressed by the enthusiasm that prevails with the smaller Chapters. This enthusiasm should lead toward a larger and stronger Triple X Fraternity.*

*My term of office is nearly ended. I want to express my sincere appreciation for serving as your Grand Master. To all the brothers of all the Chapters, my heartfelt thanks for the fine hospitality and splendid cooperation you have given me during the year. My sincere thanks to my Grand Chapter officers, who cooperated and did a fine job in the performance of their duties.*

*Convention time is near! The Los Angeles Chapter Brothers have planned a great Convention. Together with the fine accommodations and facilities, this will be a most enjoyable and successful Convention. I'm looking forward to seeing all of you in Los Angeles.*

*Fraternally yours,*

*Hay J. Kayajanian*

# FRESNO

"The song has ended but the melody lingers on," this was the remembrance of May 1964. The sadest part of this remembrance was the passing of Brother Ed Arslan who lived and worked for the underprivileged, particularly the crippled children. His untiring efforts helped to shore up the ambition of the fraternity's charitable undertakings. Although he has left us, his image will remain as long as the fraternity exists. To his devoted wife Hazel and his family who worked hand in glove to make his undertakings a great success. Each and every member of the fraternity offers its deepest sympathy.

The pleasant part of the song was the fabulous annual charity ball at the Del Webb Towne House featuring the one and only Nat "King" Cole. I'm sure most of those who had attended will agree that this was the best ever. We've said that such a show can not be surpassed but some how the following year we come up with a different and better show.

Our annual outing at Dinkey Creek was almost a success except for the unexpected rain which started early Sunday morning sending everybody home in dismay. Again enough credit cannot be given to the fellow Bros. like Harry Adanian and Carl Hovsepian for the work and efforts that go into bringing these outings of pleasure for the brothers and all chapter members.

July 16 at Fort Washington was another all afternoon golf and dinner get-together with a big turn out. And on July 25, Jr. Master Ralph Takakjian had planned a Luau at the California Pavilion swim side for husbands and wives, which was a big success.

Sadness and sorrow fell on the Nish Choolijian Family in the passing of a wonderful wife and Mother. The entire Fraternity expresses its sorrow.

We're looking forward for the Labor Day Convention in Los Angeles and from all indications its going to be a "Ala Paloza." See You There

# SELMA

Rehash of the 'Ole Hash: On Sunday, May 24th, the Selma Chapter held its annual spring picnic at the fairgrounds. Turn-out was X-ceptionally good; the food was X-cellent, with X-tra servings for everyone. Mess seageant Bro. Jack Bedrosian and his fantabulous mess crew did a fantabulous job.

In June, we held our second public picnic—again at the Fairgrounds (in competition with the Camel races). Bro. Ken Melkonian was galley crew chief, head chef and chairman. His messy crew did an outlandish job— — Sorry—that's suppose to read: His mess crew did an outstanding job. Honest!

During the week-end of June 5th, D-Day, and June 7th, Selma brothers joined with the Fresno brothers at Dinkey Creek for three full days of CENSORED, CENSORED, CENSORED AND CENSORED! (Ohwhathehellstheuse!)

Our Dinkey Creek Summer Outing (July 12-19) was again a beautiful suX-cess. The outings just keep getting "more" better every year. The weather was more better, fishing was more better, food more better, swimming was more better. Even the movies (talkies in Skidamascope and Bistavision and Burpasonic sound) were more better. Only our campfire songfests weren't more better 'cause our choirmaster "Singalong Soren", retired too early.

Never saw a man work with such enthusiasm and untiring energy as did our chairman Bro. Joe Garabedian. His dedicated committee members who tried to keep pace with Joe were Bros. Zern Vobian (doesn't sound right!), Jack Kazanjian, Jake Mooradian, John Barigian, Al Paul, Dick Boyajian, Aaron Goorigian, Soren Shamshoian, and yours truly. Those volunteers who did an

equally fine job were Bro. Master Jim Adanalian and Bros. Art Suddjian, 'H & H' Kasparian, Haig Aivazian, Jr., and the "Ortho Twins", George and Jimmy Bagdasarian. (I hope I haven't forgotten anyone).

By the way, who won the "Dinkey Queen" contest? Last I heard it was a toss-up between Louise, Rose Marie and Hazel?

Disordat or Onethingoranother: No births to announce in this issue. Notice how people don't seem to be as aX-ident prone as they use to. Those crazy elephant jokes! (Heard a million of them at Dinkey). Our favorite: "How can you tell if there's an elephant in the refrigerator?" Ans: "By the footprints in the *Madzoon*." 'Nother: "What's the funniest elephant joke of the year?" Ans: "Goldwater for President." (If you AUH<sub>2</sub>SO<sub>4</sub> booze-sters don't like that last joke, I'll challenge all of you to a duel—with bow and arrows!)

The elephant joke we dislike the most: "Why did the elephant join the Triple X?" If you haven't heard it, forget it! If you have heard it, forget it!

Bro. Jack Minuteman Bedrosian is the only brother who has an autographed copy of a new book entitled, "How I Stopped Worrying And Learned to Love the Giants."

Who's VW, with an "Oldwater for President" bumper sticker, is usually parked in front of 1936 Echo?

Plan now to attend the 35th Annual Triple X Convention—September 4th to the 6th—at the Sportmen's Lodge Hotel, North Hollywood. 'Snuff For Now! Goodnight, you know who!

# CAPITOL

Our hats are off to Brothers Ruben Sweet and Ivy Ivasian for a very successful April Ladies nite at the Sunset Country Club Golf Club. Members and their wives had one of the best evenings we can remember. The highlight of the evening was the table-to-table serenading by Francine Dante and her accordion. (See photo)

Bro's Art Tashjian and Ed Ohanesian are making final plans for the July family picnic in Wm. Land Park.

Our heartfelt best wishes for a speedy recovery to Bro. Sam Tarpin undergoing tests in the hospital.

Bro. Harry Tatosian and wife Gladys celebrating their 17th anniversary. Whew! Sarkis Shirinian and wife Norma enjoying a tour through Europe. As well as the daughters of Art and Ivy, Adrienne and Claire.

Sandra Garabedian, daughter of Bro. Ed Garabedian, is teaching in Europe as an exchange teacher for a year. Lucky Gal.

Our Spring Dance in May was a huge success piloted by Bro's Elmer Bagdasarian and Matt Goorabian. It was held at the Meadowview Swim Club in Sacramento. Life of the party was Bro. Sam Yenovkian doing the Turkish Twist.

Bro. Charles Kalian sporting around in his new Mustang dream car.

# SEQUOIA

Since we last went to print, much has happened in and around Tulare County. Now all we are doing is fighting the 100 plus temperature, so let's see if we can pass on a little reading material.

The annual Ladies Nite event was held at the Imperial Dynasty in Hanford with 38 Brothers and their wives in attendance, who enjoyed a Steak and Lobster Dinner. A real ball was had by all who attended, but apparently this wasn't enough as a hardy group topped off the evening with coffee and sweets at Brother Art Ekizian's residence.

Our annual picnic held at Mooney's Grove on May 31st, under the chairmanship of Brothers Art Ekizian and Harry Davidian, started in the wee hours of the morning with a Breakfast served for all brothers in attendance with their sons, by Brother Ralph Hovannesian and Brother Si Kalfayan. A shish Kebab dinner with all the trimmings was served to over 500 people in attendance. Many were unfortunately unable to be served because of their late arrival. Our apologies. We will plan for more next year. The Tavloo and Gin Tourneys were ably supervised by Brothers Mike Cholakian and John Bazarian. All in all, the day was a big success.

Our annual family picnic was held at Pine Flat Dam under the co-chairmanship of Bros. Kay Katchadourian and Ralph Hovannesian. About 75 attended and enjoyed a wonderful steak dinner under ideal weather conditions.

It was unfortunate that the fishing trip planned for the first time this year was attended by only 3 brothers and their sons. Brother Mike Ekizian has been scratching his head since then as to why such a small turnout. Our answer is wait 'til Tomatoes are over with.

Brother Paul Armo and family boarded up their front door and were out of circulation due to an extended vacation. Seems like he was making blue chips out of white ones in our neighbor state.

City Slickers, if you are paying 50 cents a pound for your tomatoes, the reason is that Brothers Harry Davidian, Sark Davidian, Harry Majarina, and Mike Mikealian are enjoying an excellent harvest, and are marketing to the top brokers in the country. Special Hye fertilizer is the answer.

Brother Walt Jebejian is constantly thinking of ways of improving both the fraternity as well as his Giant Dollar Store. It's a known fact that he moved all the merchandise himself from the Mezzanine to the main floor and visa versa. A man sized job, but nothing for Brother Walt.

Brother Harry Krikorian is one of 3 architects who designed the building of the Visalia Municipal Court now under construction. It was very timely with the new addition to his family of offspring number 3. Lots of luck.

Brother Pete Cherian is busily engaged in etching his mark in the Real Estate world by buying and selling the choicest of properties in Tulare County, especially the Mooney Blvd. area of wonderful Visalia, which is becoming the richest real property in Calif. A rumor has reached our ears that Brothers John and Ralph Hovannesian who are in the house moving and building business, are negotiating with Brother Pete for the purchase of the choicest corner of the strip to relocate several of their movable villas. This rumor has not been confirmed as yet by either tycoon.

### THE LITTLE THINGS IN LIFE MEAN THE MOST TO ALL OF US

The Los Angeles Chapter hosted the Annual Armenian Open at the Fox Hills Country Club June 6th with more than 100 Hye golfers participating, which indicates the stature this Open has reached throughout the years. It is of such things that fraternalism and brotherhood are maintained and enjoyed.

All this just doesn't happen of course, and we of the L.A. Chapter thank Bros. Jack Shahian, Jack Mason, and Jack Elmassian for their tireless efforts in making this a very successful event. Also to Bro. Herb Elmassian the rough job as starter was handled in grand style.

The following were the winners of the Open: Low Net 1-John Gogian; 2-Ralph Chapman; 3-Dee Hovsepien; Low Gross - Jack Shakian Congratulations fellows.

Bro. Lee Neshanian was in charge of the evening affair and as usual he and the committee did a real bang up job. I think the fix was in as Bro. Master Charlie ran off with all the loot. Bro. Mike Derderian didn't do bad on the raffle either. Critics Report: *Scanchelee.*

Portrait of two new members: Vi Asadoorian a rancher from Indio, and Malcom Gogosian a pharmacist from the southland, and the following Jr. Trexmen: Ron Roopenian, John Elmassian, Jerry Tashjian, Dick Tervizian, Haig Jamjothian, Ralph Sumarge, Geo. Barsam, Joe Kelegian Jr., Dennis Deovlet, Welcome to the fraternity, Brothers.

## LOS ANGELES

On a sad note: Bro. Al Amerian's father-in-law, Jack Demerjian passing on.

Additions: Bro. Sam Bogosian and wife a baby girl.

Bro. Tom Bedrosians handicap just went up to a 5 - girls that is! Wonderful!

Here there and everywhere Bro. John De Poian daughter Jo Anne married. Bro. Past Master Joe Zorigian's two boys Jimmy and heading to U.C.L.A.

Our roving Brother Sass Bedig in Hawaii helping with the new Sinatra picture. Nice to see Bro. Jerry Vanley up and around again after an appendix operation. With the summer months here all trexmen and families with-soever disbursed will be getting the vacation bug, so from all of us to all of you, enjoy your vacations and drive home safely.

The Chapter was pleasantly surprised at our last meeting with the presence of Bro. Grand Master Haig Kayajanian and Bro. Grand Editor Karlo Demoorjian. Wonderful to have you with us Brothers.

We of the Los Angeles Chapter are extremely proud to be hosts for the coming MEMORY MAKER convention, Labor Day weekend at the SPORTMANS LODGE in the valley.

To all Trexmen throughout the state, pack up the family and head for L.A. Fun, entertainment, and lots of excitement are in store for you. For your convenience a schedule of events is enclosed.

See you all then.

# PENINSULA

Now it can be told!!!! your 1965 convention will be held at the world famous THUNDER-BIRD Hotel next to the San Francisco International Airport. The festivities promise to be theeeeee greatest! This news just came to us by the genial men in charge Brothers Ed Sarouhan and Joe Keshishian. Oh by the way, you L.A. brothers be sure and ask Bro! Joe the meaning of "Visa Versa".

Bro. Ed also reports that the grand total of 81 members and families were present at the recent picnic of the Penn Chapter in June.

Those members and friends of Via Garabedian who haven't visited him at his home in the past may be doing it in the future without really knowing it as he informs your correspondent that a FREEWAY will be where his home was once. Wave to him as you drive thru his living room or will it be the bedroom?

Oscar Donoian with the wall to wall pool recently was one of the happy brothers who visited Dinkey Creek outing. He and Ed Sarouhan went fishing and we understand caught the limit the hard way. While they were fishing at Courtright Lake a blizzard sent 11 inches of snow on our two friends but that didn't stop them even tho they had 6 inches of snow on their heads. I was to describe the condition of the tops of their heads, but I believe people in glass houses should not throw stones!

Charles Markarian wants all brothers to know that the Nicks Dinner-Dance held recently on the coast was a success mainly because we all claimed to be staunch Democrats (during the Republican Convention recently held in San Francisco) for the benefit of the BARTENDER who just happened to be Pierre

Salinger's brother. . . man thats really playing the role of politics!!!!

Take note brothers, Bro. Harold Steele has a new address. . . 1339 King Fisher Sunnyvale, TEL: 245-5118. Could this mean that Harold has recently moved. . . and could this also signify an integrated neighborhood. . . "now listen here, brother Andy."

Oh, by the way, Charles Markarian recently thwarted a robbery of his place of employment, Westlake Joe's. He detoured a gunman (who I happen to know carries two guns in his little "Black Bag") from going into the office where the safe is, by a little white lie. Who says lying does not pay. This little white lie also was responsible for saving the owner's life.

Buddy Danielian is taking his usual 2 weeks vacation this year with one week in Las Vegas to Clean up and one week at Lake Tahoe to Clean up at the tables. In my opinion he can take a bath cheaper staying right at home!

Charles Hazarian left on a business trip to Washington, D.C., Saturday July 18, (to discuss the recent race riots?) He intends to go on his yearly vacation on his return and wants to make sure he will have no trouble.

Our Master's wife, Mary Solakian, is on her way to Boston for an extended vacation and this will keep them both (Mary and George) from attending this year's convention. George is very sorry to miss this convention, his first since joining the XXX.

Jack Dorian, Norris Gregory and Lee Aaronian

## GOLDEN GATE

Amid the hurley-burley of everyday life there comes an event which is greeted with nervousness, anxiety, waiting and then the indescribable joy of becoming a father of a 7 lb. 5 oz. baby girl. The father then beams, passes out cigars and is the cock o' the walk for all the time the baby is in the hospital. When the baby arrives home, relatives, in-laws and all good friends come and wish you the best of everything. The father continues to break buttons on his shirt. The days that follow, his chest is deflated a bit and after a week of sleepless nights, his head droops and he can barely keep his eyes open at work and at home. But let someone

ask about Anna Elise Kazanjian and miraculously the father regains all the pride and strength he had before. Carol Rustigian has to be the psychologist of the year. Without her, we would never have been able to make it through the first week. With gratitude and love, Ralph and Elise . . . .

. . . . Unfortunately, we were unable to attend the best picnic of the year for members and their friends and prospective members at Stinson Beach. Next year there will be no

blessed event to hinder our attending the picnic, I think . . . .

. . . . George Anterasian's evening of hospitality was overwhelming. Chicken and pizza feed, initiation of two new members, Carl Semonian, Jr. and George Mardikian, Jr., and then the pleasant surprise of having Grand Master Haig Kayajanian and Vern Bohigian attend. Brother Grand Master swore in the two new members and the initiation and dinner were followed by a card party . . . . Bro. Master Bob Mirigian was complimented by the Grand Master on the way he conducted the meeting at Anterasian's. We have to go along with the Grand Master on that score. His brother Richard Mirigian has to be given the Prize for the biggest appetite of the year. I am told that Kay Balian and Sark Sarkisian are the only two to walk away winners at the poker party. Sark must have been lucky; Kay always is . . . . Lee Rustigian, the mayor of Fillmore Street, is trying for the same title at Reno. It's getting so that every time he goes there they welcome him with open sticks . . . .

. . . . Henry Yesson, the caterer's caterer, was too late for the pizza and chicken feed. He says, "It does something to my ego when I have to eat my competitor's food." Don't worry, Henry, it did a lot for the soda mint industry . . . .

. . . . Jack Bousian and Al Nalbandian were talking over one of Al's new acquisitions: a Titian salesman's sample . . . . Gotta go - burping time . . . .

. . . . Vahack Haroutunian is back at U.C. this summer. If he keeps this up long enough he'll be the only father in the U.S. attending the same university as his son. Paul is only 5 years old . . . .

## GOLDEN GATE CHAPTER

*(Continued from Page 12)*

. . . . Russell Janigian bought himself a new Triumph TR-4. Went back to England to pick it up. Decided to meet Jimmy Klijian somewhere in Europe. It pays to be a school teacher. If not a teacher at least an accountant like Jimmy . . . .

. . . . Archie Azizian is now managing an apartment house in San Francisco . . . .

. . . . Vince and Geny Levon are on the road again. The first part of the summer they spent a week together with Carol and George Rustigian at Las Vegas. Vince and Geny are now on their way to Mexico via the southland. Plan to take in the bull fights . . . .

. . . . Ara and Ursula Kaprielian have returned from their honeymoon. Their Porsche doesn't seem any the worse for wear . . . .

. . . . Ed and Goldie Minasian joined the Peace Corps. The wilds of their back yard is where they are stationed. Be sure and plant a Victory garden, Ed. Tomatoes grow big in Oakland . . . .

. . . . Brother Vartan Hovsepien paid a formal visit to the store. Flashed his I.R.S. credentials. Asked me to identify myself and told me the Fillmore Stamp Co. owed the Federal Government money! Whew! That was a close call. The F.S. Co. is part of the Merchants Association of which I am one of the Board members.

# CONVENTION TIME

## SEPTEMBER 4-5-6-7

### SEQUOIA CHAPTER *(Continued from Page 7)*

After a long delay Brother Geo. Zarounian held ground breaking ceremonies for the building of their new home in fashionable Oak Estates in Visalia. An ancient custom was observed with the beheading of a choice red beaked rooster while its blood spewed all over the foundation, and a toast was drunk by all the brothers and friends who were present. The glasses were shattered and the rooster was buried under the cornerstone. For the benefit of the younger set this is an old Country custom that has never been forgotten in the Yettem area.

Brother Capt. John Davidian was observed in hot pursuit with sirens wailing and red light twirling from Dinuba to Sultana where he apprehended the culprit (another brother) only to find that he was out of his jurisdiction. They settled instead for a free Kufta dinner at the Redwood Inn.

Brother Vern Davidian has been seen con-

stantly in and around the world famous Flame Restaurant in Visalia which is only 485 miles from Las Vegas, in the company of the most eligible and delectable females in the modeling profession. We married brothers can only sit back and watch.

Brothers Armen and Geo. Shuklian are busily engaged harvesting the peaches and the plums and you name it from their vast holdings in the Tagus Ranch and other areas in and around the 2 counties. Fort Knox is bulging at the seams.

A great deal of work is under way by the co-chairmen of the forthcoming annual Charity Dinner-Dance in October, at the Veterans Memorial Bldg. in Visalia. Plenty of delicious Shish Kebab, a real top-notch Variety show and Dance is in store to make this another unforgettable evening.

are missed at our meetings. We have a suspicion that the Go-Carts have taken them a long way off from us. OR are they broken down? If that is the case we have dispatched Jake Fathy to take his tow truck and haul them in.

We have inquired into the personal lives of the following brothers and discovered that all Paul Orphan can report is "I've been a Good boy" (how come only two weeks after his recent marriage) and the rest of them chimed in "me too" . . . . Harry Shabazian, Steve Suddjian, Ed Odabashian, Garabed Masegian, Diran Kurkjian, Harry Keshishian, George Kerkorian, naming a few! Could these be the ME TOO candidates the Republicans have been talking about recently?

We had two members recently at our last meeting who are transferring to us - Bros. Earl Saroyan and Ed S. Edwards, who oddly

are both in the decorating business. The Peninsula Chapter is proud to state that we have a good staff of decorators and if any other chapters are planning on purchasing a club house in the future please feel free to call upon us . . . . our rates are very reasonable and besides WE NEED THE MONEY!!!! Our last meeting was held at the Balkan Village, Los Altos, California.

We were very pleased to have as our guests the Grand Master Haig Kayajanian, who gave us a report on the current activities of the Grand lodge and sister chapters he has recently had the pleasure of visiting and the Grand Editor Karlo Demoorjian who we understand is an excellent dancer. We are always happy to meet and be able to visit with our Grand Chapter Officers . . . . please make this a habit, Brother Grand Chapter Officers.
